*MISSION APPEAL — Next weekend July 31 and August 1st, we have the Medical Missionaries of Mary Appeal. They are international missionary congregation of women religious. They strive to look and live beyond the barriers of culture, religion, and language to help the poor, the oppressed and the marginalized. A young, Irish lady names Mary Martin, who went out to work in Nigeria, West Africa as a lay volunteer nurse, establishing the Congregation in 1937. While she was there, helping to alleviate the suffering brought on by Leprosy, she became very aware of the need for continuity of medical services especially among women at the time of childbirth. We now number about 370 sisters working in nine African countries as well as Brazil, Honduras, Europe, and the USA. Please be generous in our Mission Appeal Collection. May God bless you for your generosity.*

*MAINTENANCE COLLECTION – Our Summer Maintenance Collection which will continue during the summer months. This collection is very important for our parish to be able to keep maintenance on all our buildings. Please support our maintenance collection. This year we had to update our air-conditioning system. We added new bushes around the rectory and also around the church. All this work is being done because of your generosity in our summer maintenance collection.*

**ANNUAL CATHOLIC APPEAL**

**WE NEED YOUR HELP IN REACHING OUR GOAL**

As you know this years goal for the Appeal is 116,439.00, the same goal as last year. To this point we have pledged \$92,900.00 from 308 of parishioners last year we have contributions from over 400 parishioners. We need to make our goal and I realize that the economy is bad and money is tight but if we all give some the goal will be met and the Diocese will be able to fulfill its mission in serving Christ. If you have not made a contribution I ask that you do your best. Thank you for your continued generosity. *Sincerely in Christ, Msgr. Brown*

**PARISH SELF-STUDY PLANNING QUESTIONNAIRE**

*We have sent in our Self-Study to the diocese for their Taskforce and the Diocesan Commission on Strategic Planning which will be reviewing all of the parish self-studies. The commission will consider the self-study in light of broader issues affecting the diocesan church including the future availability of clergy personnel and changing demographics. The commission will return their findings to the Parish Taskforce. There are copies of our parish planning questionnaire in the back of the church. Please feel free to take the questionnaire and the financial report home for your information. In the Fall, some additional consultation will occur on a local level by members of the Commission Taskforce to seek input on the developing recommendations. Finally, the Commission and Taskforce will pass their final recommendation on to Bishop Di Marzio who will make final decisions.*
